Annual Town Report

1979 - 1980

Annual Report of the Town of WALTHAM, MAINE 1979 - 1980

COVER PHOTO — WALTHAM BAPTIST CHURCH

As early as Sept. 27, 1843, ten years after the town of Waltham was incorporated, an ecclesiastic council comprising representatives from five county churches and forty-five interested citizens met in the "little red school house" and organized the Waltham Independent Baptist Church. Meetings were held in the "little red school house" and the "town house" until the church building was erected and dedicated May 30, 1853. This was accomplished by donations of money, materials and labor and by the sale of pews. In 1854 Eliakim and Susan Haslam deeded the land to the church.

There have been ninety-five members; the demise of the last member, Susan Haslam Jordan, was in 1917. Through the effort of dedicated citizens the Sunday School was held in the church until 1971 and has continued to operate to the present day.

ROBERT M. WILBUR
Town Clerk, Waltham

To Thurston and Joanne,

It is my joyful duty and privilege to extend to you both our sincere thanks for your twofold gift to the town.

Your gift of valuable land surrounding the Stetson School Building to enable us to renovate and repair this historical and functional part of our community life was, no doubt, motivated by a longstanding family commitment to civic affairs in Waltham.

Secondly, your personal gift of services to move the building onto the new foundation is recognized as a sacrifice of business time and effort in our behalf that represents many hours and cost to reimburse your own employees.

Please accept this letter as only a token of our appreciation for your generosity which will be long remembered.

On behalf of the town of Waltham,

Rolf A. Hellum

To Robert French,

Time and talent are both fleeting gifts from our God, and we are enjoined to use them both wisely. Your gift of personal services both for locating the new boundaries of our town lot surrounding the Stetson School Building and the careful writing of a new deed to convey that property to us from the donor is sincerely appreciated by a grateful community.

Thank you very much for your interest and help.

On behalf of the town of Waltham,

Rolf A. Hellum

Fire Report

At town meeting Waltham voted not to enter a contractual agreement with any fire department; therefore there is no contract with Eastbrook. However, Eastbrook has agreed to respond to a fire in Waltham and Waltham of course will help Eastbrook as they always have. Eastbrook has also invited Waltham to participate in their fire drills.

Each home was given a number and instructions to report a fire in Waltham. Eastbrook has five plectrons in town that will receive the call. The call goes to an Ellsworth number and will automatically be reported to all fire departments.

Under these circumstances, we certainly appreciate the offer of help from Eastbrook.

Board of Selectmen
Town of Waltham
Waltham, Maine 04605

Gentlemen:

In accordance with Chapter 90-A, Revised Statutes of 1954, I have made an audit of the financial records of the Town of Waltham for the municipal year ended February 28, 1979.

My examination was made in accordance with generally accepted auditing standards applicable to municipal auditing, and included such tests of the accounting records and such other procedures as were considered necessary in the circumstances.

In my opinion, the enclosed financial statements present fairly the financial condition of the Town of Waltham as at February 28, 1979, and the results of its operation for the municipal year then ended, on a basis consistent with that of the preceding year.

Respectfully submitted,

Roger W. Dow

Dear Resident:

The Building Committee is requesting your consideration of an article in the Warrant for Town Meeting, March 15. St. Regis was approached for a piece of land to use for a community building and/or firehouse. They have given us approximately three acres on Route 179, situated on the left side of the road as you enter the woods going towards Ellsworth.

The gift requires a town vote to accept or reject this gift. There are no limitations on the deed. We feel the town will not have a second chance to acquire land as a gift and we've not been able to find land for sale. We hope you will come to Town Meeting and give a favorable vote. If we can be of help, please contact us.

Thank you
The Building Committee

Annual Report
of the
Town of
WALTHAM, MAINE
1980 — 1981

COVER PHOTO — WALTHAM TOWN HALL
Courtesy of Sally Godfrey, Eastbrook, Maine

At a meeting held in Waltham on October 4, 1841 it was voted to build a town house as they were called at this time, and to be completed by April 1, 1843. This first building was located on the north central part of the land owned by Eli Colby, across the highway from the present location and slightly to the south, on the east side of the highway and the south side of the road leading to the E. K. Jordan homestead. This building was approximately 34 x 40 feet and in 1885 was moved across the road to its present location and an addition of 11 feet to the north end and 13 feet to the south end, and the upper hall were all done at this time, most of the dining room is from the original building, with the total cost of \$1285.00.

School was held here for sometime, and I am told there are marks in the floor that shows there were ten seats at one time.

On Sept. 18, 1931 a shingling bee was held for a much needed job, and the women of the grange under the supervision of master Lettie Willey served the crew of 24 a bountiful feed.

The greatest day in the history of the hall on August 19, 1933 when Waltham celebrated its centennial, having been a town for 100 years. The program under the direction of Sadie Haslam, Harvard Haslam, Lettie Willey, Bernice Jordan and Maud Wilbur was well presented and consisted of the following: Opening Hymn, Prayer Isabelle Jordan, Music Orchestra, Early School Days Lynwood F. Giles, Music Orchestra, Early Waltham Reminiscences, Pageant Leaves from the Book of Waltham, First settlers, Building cabin homes, Signing charter, the first post office 1835, the first mill 1838, Pilgrimage through the wilderness, Wars, Lumbering, Secret societies, Help-Some-How-Club, 4-H Club - Young Waltham, and the Grand finale - Auld Lang Syne, the musical direction was left in the capable hands of Josie Martin.

Sometime in 1916 probably in late August, Governor Oakley C. Curtis visited Waltham and made the town hall his headquarters, and this was another event that impressed a boy going on ten years old which was my age at this time.

Other than the usual town business which has been conducted here, other events include dances, socials, basketball and several wedding receptions.

Respectfully submitted,

Roland E. Wilbur

A start was made this year to provide property record cards for all taxable property. This is basic information on your dwellings, such as type of foundation, size of buildings, age, and general condition. This will give the Assessors more accurate information to work with when assessing taxes. It is hoped the third selectman will be getting more homes done in the next year.

Building Committee Report

Through the efforts of the Building Committee, primarily Mrs. Phyllis Jordan, a piece of land was donated by St. Regis Paper Co. The land is situated on the east side of Route 179, south of Wesley Jordan's.

It is hoped that this acquisition will lead to a permanent site for housing fire equipment and/or other town needs.

We wish to thank St. Regis for their generous donation and hope that the town uses it as intended.

Fire Report

Eastbrook has responded to four fire calls in Waltham with pay for gas only. Again we wish to thank Eastbrook for their help and the offer to participate in their fire drills.

Each home was given a number and instructions to report a fire in Waltham. Eastbrook has five plectrons in town that will receive the call. The call goes to an Ellsworth number and will automatically be reported to all fire departments.

Because of several new fire pumps purchased by residents, it has been suggested to compile a list of available pumps in case of emergency. If you are willing to be on this list, please sign up at Harvey Jordan's garage.

February 26, 1981

Board of Selectmen
Town of Waltham
Waltham, Maine 04605

Gentlemen:

We have examined the financial statements of the various funds of the Town of Waltham, Maine for the year ended February 16, 1981 as listed in the following table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion the financial statements listed in the aforementioned table of contents presents fairly the financial position of the various funds of the Town of Waltham, Maine on February 16, 1981, and the results of operations and changes in surplus of such funds for the year then ended in conformity with generally accepted accounting principles which applied on a basis consistent with that of the preceding year.

Respectfully submitted,

C. H. Dorr & Co.

C. H. Dorr & Company

RAD/sm

The financial statements of the various funds of the Town of Waltham, Maine for the year ended February 16, 1980 have also been examined.

GENERAL FUNDS: The general fund appropriated surplus was increased during the year by \$4,978.72. The actual revenues of interest and costs \$208.09, invested interest earned \$73.36, State of Maine-inventory tax loss \$23.20 and tree growth reimbursement \$1,012.44, other miscellaneous reimbursements \$33.54 and the overlay of \$833.84 were among the favorable increases to the Surplus account. The favorable aggregate underspent appropriations of \$3,773.78 also made up the increase, whereas overappropriated excise taxes of \$847.93, tax abatements of \$40.00 and surplus appropriations of \$91.60 were decreases to the surplus account. The balance in the Unappropriated Surplus as of February 16, 1981 of \$13406.18 consists of \$11,325.49 in non-cash assets and \$2,080.69 which should be retained for working capital, therefore leaving no amount available to apply against the ensuing tax year commitment.

FEDERAL REVENUE SHARING: The total funds available during the year amounted to \$1,478.31 which included the beginning balance of \$5.84, program receipts of \$1,450.00 and interest earned of \$22.47. Funds of \$258.81 were appropriated and used for the Fire Equipment account leaving a balance of \$1,219.50 available for future expenditures.

STATE REVENUE SHARING: The total funds available during the year amounted to \$2,824.59 of which \$2,824.59 was received during the fiscal year from program receipts. \$1,901.54 was used against general appropriation credits leaving a balance of \$923.05 for future credit.

Scope of Audit

This audit was performed in accordance with Municipal Audit Procedural Form per Title 30, Section 5253, Maine Revised Statutes of 1964 (as amended).

To the Citizens of S.A.D. #26:

This is my fourth and final report as your superintendent of schools. The enrollment of pupils educated at public expense as of October 1, 1980 was as follows:

	K	1	2	3	4	5	6	7	8	9	10	11	12	Total
Eastbrook	3	8	7	5	8	5	5	5	4	4	3	4	4	65
Waltham	2	4	4	3	3	1	1	2	1	3	2	5	6	37
Total	5	12	11	8	11	6	6	7	5	7	5	9	10	102

In addition, one pupil is tuitioned out of town for special education purposes. Six more elementary students have enrolled at Cave Hill since the October 1 census.

The following teachers were employed by the Board of Directors to work with your children.

Joe Costa	Principal 6-7-8	\$12,000
Julie Bromley	3-4-5	10,500
Julie Gordon	K-1-2	9,000
Donna McClairie	Speech	572

We have been very pleased with our teaching staff.

Employed from Title I funds have been Assistant Teachers Elizabeth Ehrlenbach and Maria Higgins whose work have been much appreciated.

Continuing to faithfully serve the school are

Betty Neleski	Building Aide
Lucille Jordan	Lunch Program
Marion Butler	Custodian

Jimmy Jordan is completing the last year of his conveyance contract.

Several things have happened during the year that may be of interest to citizens:

1. A tuition arrangement was entered into with Ellsworth so that each party would know exactly what to plan for tuition.
2. Lighting in the cafeteria was improved.
3. A new freezer was purchased through the hot lunch program.
4. A Title I summer program was operated by Julie Gordon and Bea Nazzaro.
5. A breakfast program was initiated.
6. A commercial grade refrigerator was purchased for the kitchen area.
7. The heating system has been renovated.

An issue that must be faced by the Board of Directors is whether or not to continue with private contractors for transporting your children. We have had good service from Jimmy Jordan. It is my recommendation that the District own its vehicles and operate them. It is less expensive in the long run.

The 1981-82 budget proposal requests adding one teacher to the Cave Hill staff. The present system of employing one teacher for every three grades is reaching the point where over 30 pupils are in one room. With those numbers and three grades in a room, it is difficult for the teacher in that situation to give the students all that they need. We want to reduce those numbers.

The Directors feel the timing is right to ask for the added teacher. We can accomplish the increase next year at a cost to the district that is less than it was two years ago.

As part of my final report to you, I would like to express my feelings about your school operation. I was initially apprehensive when asked by the Commissioner to be your superintendent. I had heard rumors that Cave Hill left a lot to be desired.

My apprehensions quickly evaporated because I found a school board dedicated to running a good school and found citizens very supportive of the school. I found a school board who was willing to develop some plans that could improve the school while keeping the costs reasonable. I found townspeople willing to support those plans.

The citizens of Eastbrook and Waltham should be very proud of their accomplishments. You have consistently elected interested school board members and have shown a genuine concern for your school.

I want to thank all of you for supporting the educational program in such a fine fashion and must admit that I have regrets at having to cease being your superintendent.

Respectfully submitted,
Dale D. Higgins
Superintendent of Schools

Superintending School Committee
and Superintendent of Schools
School Administrative District # 26
Eastbrook and Waltham, Maine

I have examined the balance sheet of the School Administrative District # 26 as at June 30, 1979 and June 30, 1980, and the related statements of revenues and expenditures, changes in unappropriated surplus and all other related financial schedules for the fiscal year ended June 30, 1980. My examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other procedures as were deemed necessary in the circumstances.

In my opinion, the enclosed financial statements present fairly the financial position of the School Administrative District # 26 at June 30, 1980, and the results of its operation for the fiscal year then ended.

Respectfully submitted,

Roger W. Dow

AUDIT COMMENTS

School Administrative District # 26

Local funds needed to operate the school district are raised by the towns of Eastbrook and Waltham. The amount each town pays is based on it's state valuation. For the current fiscal year ended June 30, 1980, the computation was as follows:

	<u>State Valuation</u>	<u>% to Total</u>		<u>Budget After Other Revenues</u>	<u>1979/1980 Allocation</u>
Waltham	2,450,000.00	28.65%	X	\$90,935.00	= \$26,053.00
Eastbrook	<u>6,100,000.00</u>	<u>71.35%</u>	X	<u>\$90,935.00</u>	= <u>\$64,882.00</u>
Total	<u>8,550,000.00</u>	<u>100.00%</u>	X	<u>\$90,935.00</u>	= <u>\$90,935.00</u>

At June 30, 1980, the town of Eastbrook had not paid it's share of the allocation by \$5,406.87. This amount had been received at audit date.

School Union # 92, which includes SAD # 26, currently employs a special education-speech therapist. The salary for the speech teacher is paid through the SAD # 26 account and then reimbursed by the other school departments. At June 30, 1980, there remained \$1,897.24 in uncollected reimbursements; however, these funds had been collected before audit date.

Outstanding debt at June 30, 1980, amounted to \$12,000. This represented a bond issue used to construct a three room school house at Eastbrook. The bonds carry interest at 3.75%, payable semi-annually. Principal payments amount to \$3,000.00 per year, payable December 15th of each year through 1983.

WARRANT FOR DISTRICT BUDGET MEETING OF
SCHOOL ADMINISTRATIVE DISTRICT NO. 26

To Ernest Butler Jr., a resident of School Administrative District No. 26 in the County of Hancock and the State of Maine.

Greetings: In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of School Administrative District No. 26 in said County and State qualified by law to vote in School Administrative District No. 26 affairs to meet at the Cave Hill School, in the town of Eastbrook, on Monday, the 27th day of April, A.D. 1981 at 7:30 o'clock in the evening, then and there to act on the following articles to wit:

Stetson School Report

Last year the renovation of the Stetson schoolhouse was achieved at a ghost value of around two thousand dollars, with donations of monies from organizations; materials, time, labor, and money from townspeople, and the work of C.E.T.A.

The ceiling, walls and floor were refinished, the windows were puttied and painted, and the exterior was painted two coats, excluding the west end. The "little house" was moved and finished and considerable landscaping was accomplished. Another step has been reached in restoring our public buildings.

The Warrant

Articles by Petition: (34 - 38, 41)

- 34 To see if the town will vote to have future elections according to the Australian Ballot system.
- 35 To see if the town will vote to separate the office of Selectmen/Assessors. The assessor then to be appointed by the selectmen and responsible to the selectmen. And, that the assessor be either certified or attending State Assessor courses and working toward certification. (This is an administrative position and not one of policy making, as is the selectmen position.
- 36 To see if the town will vote to require that at least one or more assessors attend State Assessor courses each semester, working toward certification, if Article 35 is not implemented. Note: These courses are taught at EMVTI, Bangor, Maine in the fall and spring semester for 15 weeks. The fee has been \$35. A summer course is offered at a designated place in the state for one week. The tuition and gas are usually paid by the town, as recommended by the state legislature. The state urges that all towns take advantage of this training for its assessors for the benefit of the towns in reaching equity among its taxpayers and to insure that all communities be served by competently trained persons, using approved procedures.

- 37 To see if the town will vote to acquire property tax maps.
- 38 To see if the town will vote to direct the assessor(s) to begin and maintain Property Record Cards, Index Cards (cross reference), and to purchase pricing manuals for real and personal property.
- 39 To see if the Town will raise and appropriate the sum of \$500.00 for membership in the Hancock County Planning Commission.
- 40 To see if the Town will vote to authorize the selectmen to appoint a committee to study the feasibility of Waltham's withdrawal from S.A.D. #26.
- 41 Shall the citizens of Waltham adopt the Nuclear Freeze Resolution below?

Nuclear Freeze Resolution

WHEREAS, the United States and the Soviet Union are engaged in a nuclear weapons race and are testing, producing, and deploying nuclear warheads, missiles, and delivery systems; and

WHEREAS, the Congress of the United States is expending huge sums of money for such testing, production, and deployment of nuclear weapons, missiles, and delivery systems; and

WHEREAS, halting the nuclear arms race is a necessary and verifiable first step toward lessening the risk of nuclear war and reducing nuclear arsenals; therefore

BE IT RESOLVED, that the citizens of Waltham hereby request the President of the United States to propose to the Soviet Union a **mutual** freeze on all further testing, production and deployment of nuclear weapons and their delivery systems;

ORDERED, that the Town Clerk send copies of this resolution to the President, members of the Maine Congressional delegation, and our local legislators, so that they will know of our concern.

- 42 Reading of the minutes.

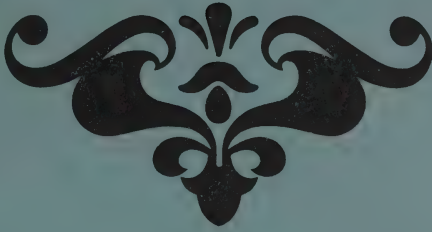

The Selectmen hereby give notice that they will be in session at the above named Town Hall and place of meeting on Saturday, the day of said meeting for the purpose of correcting the list of voters from 9:00 A.M., until the polls close.

Waltham Volunteer Fire Department

This is a report on what we have done in the first years of our fire department.

The \$2,500.00 that the town gave us was used to purchase a fire truck from the town of Eastbrook and a building from Mike Hellum to house the fire truck. Since then the Auxiliary has given us one radio to receive calls on and 2 ladders. In May of 1982, we became members of the Maine Federation of Fire Fighters.

This year we received \$580.00 in donations from non-resident tax-payers that we put in a special savings account to save up for a larger building.

Our present home is on the lot donated to us by St. Regis Paper Co. Here we have room to expand our facility in the future.

Our special thanks go to both T.E. Haslam for moving the building and Irving Wilbur for ground work at the site and for their generous donations.

With your continued support we hope to grow and wish to serve the town better as time goes on.

Sincerely,
Harvey H. Jordan, Chief

The Women's Auxiliary

The Women's Auxiliary of the Waltham Volunteer Fire Department was organized in November 1981. Officers elected for the first year of operation were: Juanita Wilbur, President; Debbie Jones Jordan, Vice President; Terri Blanchard, Secretary; and Jan Laroche, Treasurer. Directors were Carolyn Wilbur and Didie Jordan. We have approximately 25 members.

The purpose of the Auxiliary is to raise funds to promote the Waltham Volunteer Fire Department. During our first year we raised close to \$1100 through our fund-raising activities which included food and craft sales, town meeting dinner, a rummage and cooked food sale, REA supper, selling knives, and a hunter's breakfast.

We assisted the fire department by giving them money for a payment on the firehouse, purchasing a Plectron, and two aluminum extension ladders.

We want to thank all of the townspeople who have contributed to our efforts during the year and we are looking forward to an even more prosperous 1983. We would welcome anyone who would like to join us at our regular monthly meetings which are held on the third Wednesday of every month.

Board of Selectmen
Town of Waltham
Waltham, Maine

We have examined the financial statements of the various funds of the Town of Waltham, Maine for the fiscal year ended February 16, 1982. Our examination was made in accordance with generally accepted auditing standards and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the enclosed financial statements "Exhibits A through D" present fairly the financial position of the various funds of the Town of Waltham, Maine as at February 16, 1982 and the results of operations and changes in the unappropriated surplus for the fiscal year then ended.

Respectfully submitted,

Roger W. Dow

MSAD #26 SCHOOL REPORT

To the Citizens of MSAD #26:

I hereby submit my second report as your Superintendent of Schools.

Your enrollment of students educated at public expense, as of October 1, 1982, was as follows:

	K	1	2	3	4	5	6	7	8	9	10	11	12	Total
Eastbrook	7	2	6	11	6	6	6	3	6	4	3			
Waltham	2	2	2	4	2	3	2	0	1	1	1	2	2	63
Total	9	4	8	15	8	9	8	3	7	5	4	3	4	87

Eighteen students are being tuitioned out of district, two (2) elementary for Special Education and sixteen (16) secondary attending Ellsworth High School.

The following personnel were employed by the School Directors' for the 1982-83 year.

Julie Bromley	Principal and Grades 5, 6	\$15,960
Virginia Dennison	Grades 3, 4	10,100
Albert Jewell	Grades 7, 8	11,500
Susan Soares	Kindergarten and Grades 1, 2	10,176
Wendy Lindberg	Speech	648
Patricia A. Tupper	Title I, Assistant	
Nancy Rogers	Title I, Aide, Cafeteria	
Louise Dickens	Transportation	
Joseph Jordan	Transportation	
Marion Butler	Custodian	
Lucille Jordan	School Lunch	

Albert Jewell, who has several years of experience, replaces Christopher Stoecklin. Virginia Dennison, a recent graduate of the University of Maine, Machias, was added to the staff due to a regrouping of grades caused by enrollment changes. Patricia Tupper replaces Martha Henckler, who was Title I Assistant. A re-organization of Title I made it unnecessary to find a replacement for Catherine Buswell who served as Title I Assistant last year. Joseph Jordan replaced Brian Jordan as bus driver.

We are in our second year of owning and operating our buses. This move on the part of the Directors has more than paid its way.

I have continued my visitations to Cave Hill School and reviewed bus routes during the year. As stated previously, we can be very proud of our entire school staff.

In conclusion of my second annual report, I want to take this opportunity to thank the Board of Directors, elected officials and all the citizens of the MSAD #26 Community for their continued support in making our school a better place for learning.

Following this report is a summary of the 1981-82 expenses, 1982-83 budget and the proposed budget for 1983-84. You will notice that all accounts depict the format of the Handbook II accounting procedure as required by the State Department of Education and Cultural Services.

Respectfully submitted,

Carl E. Bowers
Superintendent of Schools

Superintending School Committee and
Superintendent of Schools
School Administrative District #26
Eastbrook and Waltham, Maine

We have examined the books and records, and other related documents of School Administrative District # 26 including all State administered, federally funded projects and have prepared financial statements for the year ended June 30, 1982. Our examination was made in accordance with generally accepted auditing standards and all applicable federal and state guidelines for audits of state administered, federally funded projects, and included such tests of the accounting records and such other auditing procedures as we considered necessary under the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of School Administrative District # 26 at June 30, 1982, and the results of operations for the fiscal year then ended.

AUDIT COMMENTS

A \$150,000 budget was adopted by School Administrative District # 26 for the 1981 - 1982 fiscal year. The local monies needed to fund the budget were assessed to the Towns of Eastbrook and Waltham, Maine on a state valuation basis computed as follows;

	<u>State Valuation</u>	<u>% to Total</u>		<u>Local Monies Needed to Fund Budget</u>	<u>1981-82 Assessments</u>
Eastbrook	6,650,000	67.17%	x	\$71,543.00	\$48,055.00
Waltham	<u>3,250,000</u>	<u>32.83%</u>	<u>x</u>	<u>\$71,543.00</u>	<u>\$23,488.00</u>
	9,900,000	100.00%	x	\$71,543.00	\$71,543.00

Expenses incurred in the operation of the Superintendent's office for School Union #92 are paid through School Administrative District # 26 and then reimbursed by the other schools in Union #92.

The Hancock County Educational Cooperative is also operated through the School Administrative District #26 checking account, however, the Cooperative has its own funds and imposes no financial burden on SAD # 26.

Board of Selectmen
Town of Waltham
Waltham, Maine

We have examined the financial statements of the various funds of the Town of Waltham, Maine for the fiscal year ended February 16, 1983. Our examination was made in accordance with generally accepted auditing standards and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the enclosed financial statements "Exhibits A through D" present fairly the financial position of the various funds of the Town of Waltham, Maine as at February 16, 1983 and the results of operations and changes in the unappropriated surplus for the fiscal year then ended.

Respectfully submitted,

Roger W. Dow
Public Accountant

The Warrant

TOWN OF WALTHAM

ANNUAL REPORT
1984-1985

WALTHAM VOLUNTEER FIRE DEPARTMENT AUXILIARY REPORT

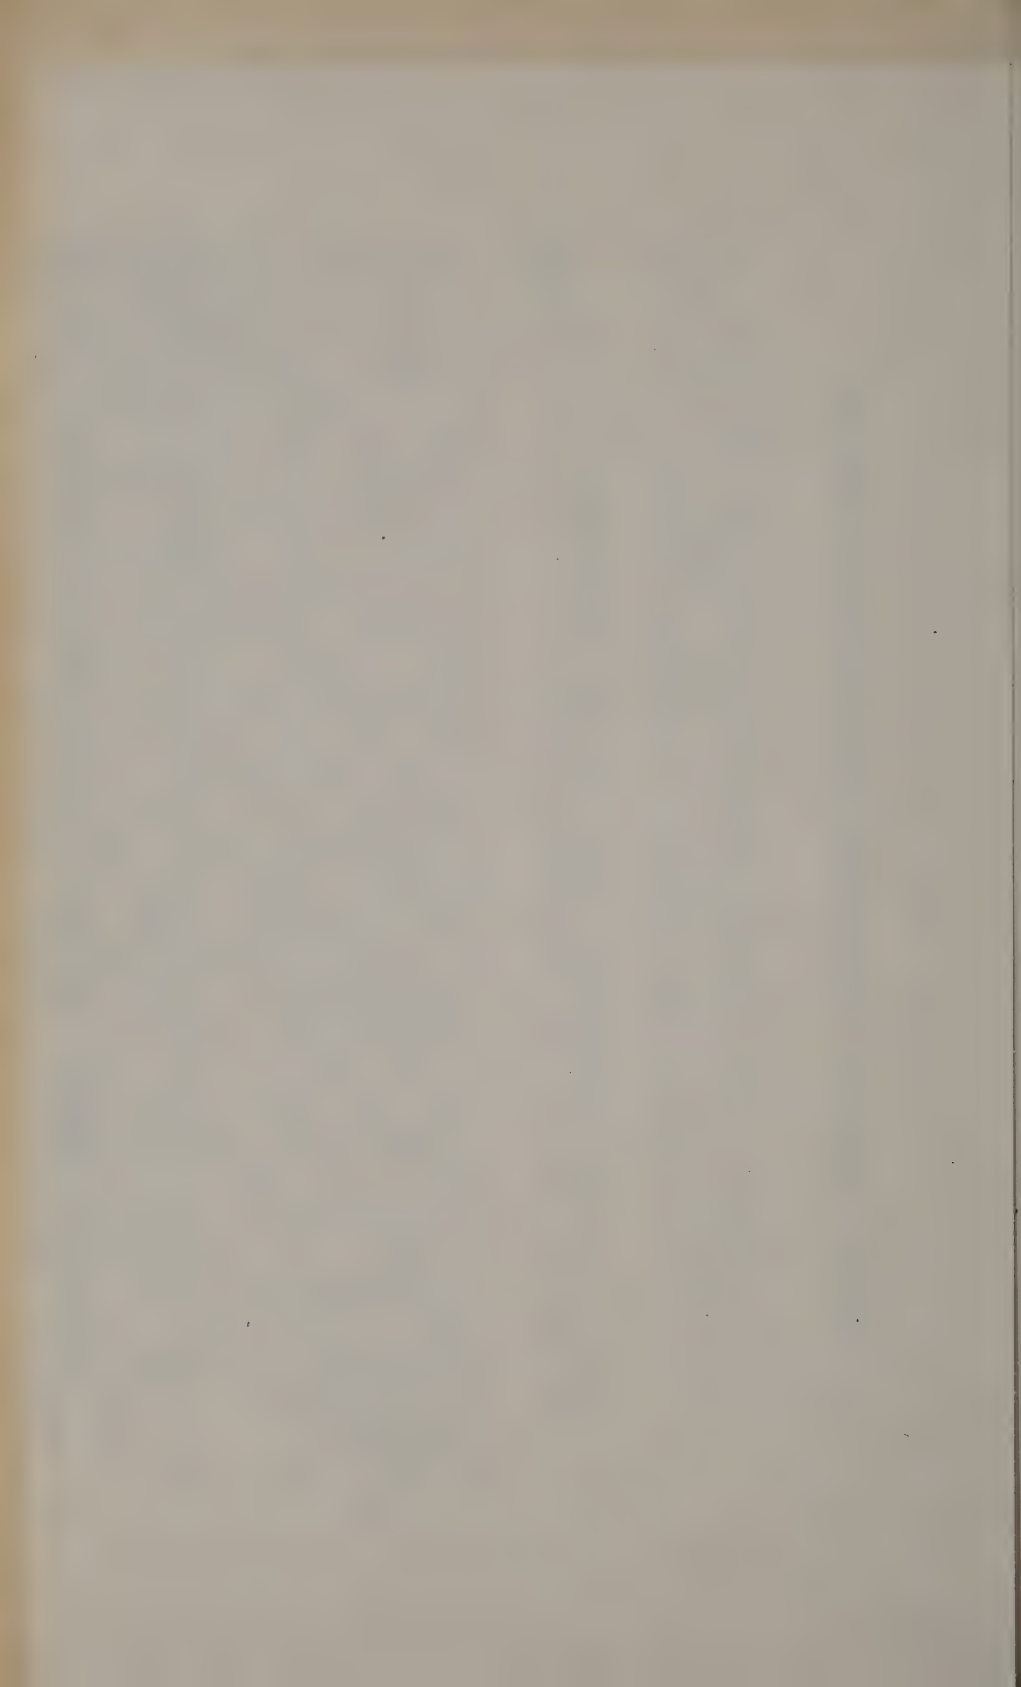

Through fund raising efforts from April to January, the Auxiliary has raised a total of \$1,050.83. Those projects were Food Basket, Rummage Sale, July Dance, Ready Fund Raising Co., Color T.V. Raffle, Food Sale, and New Year's Dance.

We have purchased for the Fire Department: battery, jack, paint, curtains and hardware, plumbing, and oil for a total of \$825.41.

The Auxiliary organized an Open House for the newly purchased building, drawing a crowd of over 100. Norma Hardison served as mistress of ceremonies for the brief program. Kim Jordan presented Harvey H. Jordan, Fire Chief, with a plaque entitled "The Firemen's Prayer" and then the Chief cut the ceremonial ribbon. Waltham's fire fighting equipment was on display including the truck donated by the Eastbrook Volunteer Fire Department. Refreshments were furnished by the Jolly Juniors 4-H Club. Ruth Foster, state representative from Ellsworth, was a special guest and John Marshall from the Ellsworth Fire Department showed a film starring Dick Van Dyke.

The current officers are: Kim Jordan, President; Evelyn Hardison, Vice President; Mary Jordan, Secretary; Norma Hardison, Treasurer; Directors, Diane Seavey Jordan, Lin Sullivan, Ellen Gelber, and Debbie Jones Jordan. A special thanks to all who helped with our projects this year. The harder we work, the more support we can show for the Fire Department. Plans are in the making for town meeting dinner, a dance in April and May, and a field day in July.

Board of Selectmen
Town of Waltham
Waltham, Maine

We have examined the financial statements of the various funds of the Town of Waltham, Maine for the fiscal year ended February 28, 1984. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the enclosed financial statements "Exhibits A thru D" present fairly the financial position of the various funds of the Town of Waltham, Maine as at February 28, 1984 and the results of operations and changes in the unappropriated surplus for the fiscal year then ended.

Respectfully submitted,

Dow & Dow P.A.

Dow and Dow, P. A.

The Warrant

MSAD #26 SCHOOL REPORT

to the Citizens of MSAD #26:

I hereby submit my third report as your Superintendent of Schools.

Our enrollment of students educated at public expense, as of October 1, 1983, was as follows:

	K	1	2	3	4	5	6	7	8	9	10	11	12	Total
Eastbrook	5	5	2	4	11	5	8	8	3	5	3	2	2	64
Eltham	3	2	3	2	4	2	4	1	3	1	1	2	2	31
Total	8	7	5	6	15	7	12	9	6	6	4	4	4	95

Twenty students are being tuitioned out of district, two (2) elementary for Special Education, and eighteen (18) secondary attending Ellsworth High School - an over all decrease of eight students over last year.

The following personnel were employed by the School Directors for the 1983-84 year.

Allie Bromley	Principal and Grades 5, 6	\$17,000
Virginia Dennison	Grades 3, 4	10,920
Bert Jewell	Grades 7, 8	13,000
Masan Garver	Kindergarten and Grades 1, 2	11,440
Andy Lindberg	Speech	
Patricia Tupper	Chapter I Assistant	
Nancy Rogers	Chapter I, Aide, Cafeteria	
Waise Dickens	Transportation	
Joseph Jordan	Transportation	
Allie Davis	Custodian	
Billie Jordan	School Lunch	

Allie Bromley, who has been with us for several years, resigned in December and Bert Jewell was elected to act as Principal. Patricia Tupper was re-assigned to Grades 5 and 6. Teresa Kane, who had been substituting for us throughout the year, was employed as Chapter I Assistant. This type of reorganization within the building made for a smoother transition.

Allie Davis replaced Marion Butler, who had served as Custodian for a number of years. We all take this opportunity to thank Marion for her many years of service.

During this past year, a suspended ceiling was installed in the cafeteria, thus, not only making it more attractive but it has helped with the acoustics.

During the years, many food sales were initiated and the funds were used to purchase playground equipment. Mr. Ernest Butler, Sr. helped us install the equipment. Once again, we would like to express our appreciation to Mrs. Bromley and all those who helped make the food sales a success, thus making this new playground equipment possible.

We would like to thank the Library volunteers who have done a splendid job in getting our books cataloged and into circulation. This certainly adds to the schools educational resources.

Our new 72 passenger school bus arrived and was very well received by the students who had been waiting anxiously for its arrival.

In conclusion of my third annual report, I wish to take this opportunity to thank the Board of Directors who have spent many hours making our school the best possible for the boys and girls of the MSAD #26 community; the elected Town Officials for their continued support and all the citizens from Eastbrook and Waltham who have helped in making Cave Hill School a better place for our students.

Following this report is a summary of the 1982-83 expenses, 1983-84 budget and the 1984-85 proposed budget. The Handbook II accounting procedure, as required by the State Department of Education and Cultural Services, is in the second year of operation and gives a much better accounting of our expenditures.

Respectfully submitted,

Carl E. Bowers

Superintending School Committee and
Superintendent of Schools
School Administrative District # 26
Eastbrook and Waltham, Maine

We have examined the balance sheet of School Administrative District # 26 as of June 30, 1982 and 1983, and the related statements of revenues and expenditures and changes in fund balance for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and all applicable guidelines for audits of state administered federally funded projects, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of School Administrative # 26 as at June 30, 1982 and 1983, and the results of its operations for the years then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED JUNE 30, 1983

Reserves

The school district established various capital reserve funds during the current fiscal year. A fund for shingling the roof was established in the amount of \$7,000 and a fund for the future purchase of an electric generator for \$700. was established. These funds have been invested as of audit date in a certificate of deposit.

The superintendent's office reserve represents unexpended funds of the combined superintendent's office budget for SAD # 26 and School Union 92. SAD # 26 is the administrator of the superintendent's budget with the Union 92 schools paying in an allocated share of the budget to the District. The budget and expenditures are shown as Schedule 3 of this report.
